## Greeting from the CHAIRMAN

Dear Colleagues,

*It gives us much pleasure to reiterate our wish to extend you our invitation to participate in the upcoming 7th Asian Oceanian Congress of Neuro-Radiology (AOCNR) which will held from 09 – 11 July 2009 in Bali, Indonesia*

*The Asian Oceanian Society of Neuro Head and Neck Radiology (AOSNHNR) was founded in January 1994 when Professor Takahashi called a meeting among interested participants attending the International Congress of Radiology (ICR) in Singapore. His efforts culminated in the holding of the first of the AOSNHNR meetings in Kumamoto in September 1994 (now becomes AOCNR), make us consistently include his lecture in our Congress Scientific Program, as an honor of Professor Takahashi for his invaluable contributions to the Society.*

*The preparations of the Congress are well underway and the Organizing Committee for the Congress is making every effort to ensure that this scientific meeting will serve its purpose in updating our knowledge of Neuro-Radiology and Head & Neck Radiology, which provide opportunity for us to keep abreast with the latest issue in Neuro-Radiology and Head & Neck Radiology and its corresponding management. This will be made possible by the participation of a number of recognized authorities in this field who serve as the invited speakers in the scientific program of the Congress.*

*These meetings in 'Goddess Island' promise to be both informative and entertaining that will give all participants an exotic experience during the Congress and cater to the needs of participants and accompanying guests.*

*Finally, on behalf the Organizing Committee we sincerely hope that you will find your participation in this scientific event a rewarding and enjoyable experience.*

*Warmest Welcoming you in Bali – Indonesia.*

Chairman,

Benny Huwae

Airport or hotels porters expect tip per bag depending on the size and weight.

## AROUND BALI

The shoppers among you will find Bali a treasure house of handicrafts and fine works or art. Those of you keen on delving into the island's fascinating culture will have plenty opportunities, as colorful ceremonies and traditional performances occur with the regularity of sunrise.

## DEPARTURE

Reconfirm your airline reservation 24 hours prior to departure. Not all international airlines require reconfirmation, but check your flight. Indonesian carriers frequently overbook due to holiday seasons in June-July. Make sure you get the computer print-out from the airline office/travel agent that says you have seat. Seat assignments can not always be arranged in advanced. Arrive at the airport two hours prior to departure. An international departure tax is required in Rupiah as well as departure tax for domestic destination. Residents pay an additional fiscal tax.
